

State Presses Charges In Second Liquor Case

SACRAMENTO—The state Department of Alcoholic Beverage Control, continuing its major crackdown on illegal trade practices in the liquor industry, has filed charges against a prominent San Francisco wholesale firm and a Napa County winery.

Max Sobel Wholesale Liquors, Inc., was charged on 26 counts of violations. This included 18 counts of unlawful discounts to retailers, ranging from \$2 to \$55, and eight counts of giving of unlawful samples to buy area restaurants.

The Beauieu Vineyards, Inc., of Rutherford, was charged on eight counts of giving unlawful samples to restaurants in the bay area.

EDWARD J. KIRBY, state ABC director, said the charges came as the result of the department's intensified probe of business practices. Earlier, the department filed charges against the Pabst Brewing Company and a major Los Angeles Wholesale firm.

Cadillac presents elegance in action!

And the "inside story" for 1968 starts with the biggest, smoothest V-8 engine ever put into a production motor car.

Brilliant new styling • Dramatic new interiors • Totally new instrument panel • Concealed windshield wipers • Improved variable ratio power steering • New disc brakes available • Wide choice of eleven exciting new body styles.

Now, enter a new era of luxury car performance. Cadillac's new 472 V-8 has the greatest torque, or usable power, of any passenger car engine and the newest combination of engine components since Cadillac pioneered the V-8 fifty-three years ago.

You will notice a brilliant improvement in passing performance that in no way compromises the reserve of strength for Cadillac's usual power conveniences. You will also be impressed with its amazing quiet—so remarkable that only its responsiveness reminds you that a great new engine lies under the hood.

Cadillac for 1968 provides, in addition, its well-proved triple braking system with finned drums to deliver smooth, straight stopping power. Front disc brakes are available for those who prefer the further refinement of an advanced disc-and-drum combination, and this year they're standard on Eldorado. You may also choose a greatly improved air conditioning system that moves more air more quietly.

Whether your preference is for one of the more traditional models—or the classic beauty of the Eldorado—come in soon and discover new elegance and excitement in luxury motoring!

THE NEW 1968 CADILLACS ARE NOW ON DISPLAY AT YOUR AUTHORIZED CADILLAC DEALERS.
